Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 9/12/06 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Matthew K. Blackburn on 9/26/06.

The application has been amended as follows:

In the claims:

In claim 4, line 11 - - a cleaning means - - has been inserted between "the cleaning target;" and "and".

In claim 4, line 13 - - during cleaning by the cleaning means - - was added at the end of the claim after "target" and prior to ".".

3. The following is an examiner's statement of reasons for allowance: The applicants amended the claims. The amendment made obviates the rejections made in the previous Office action. After consideration of the amended claims and applicant's Remarks and reconsideration of the prior art the examiner agrees with applicants analysis presented in the Remarks filed on 9/12/06. No more relevant prior art was found. The examiner's amendment is made to recite cleaning means to clarify what is claimed. The examiner's position is that the prior art taken alone or in combination fails to teach or fairly suggest the claimed method and apparatus.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander Markoff whose telephone number is 571-272-1304. The examiner can normally be reached on Monday-Friday.
